DESCRIPTION

A charming property with a surprising amount of potential in the heart of Oud-Turnhout

Right in the heart of Oud-Turnhout, literally a stone's throw from the charming village square, you'll find this property in need of a refresh or renovation, offering a surprising amount of space and possibilities. Restaurants, shops, a chemist's and numerous other amenities are nearby, meaning you'll enjoy a particularly central and convenient location here.

Behind the entrance hall is a handy storage room. The living room opens onto the open-plan kitchen. The bathroom is fitted with a shower in the bath. There is also a separate toilet.

From the living room, you reach the sleeping floor. Here you'll find two spacious bedrooms, one of which provides access to the insulated loft. This extra floor offers plenty of possibilities and can be further converted into additional (bed)rooms.

Through the kitchen, you reach the cosy covered terrace, which in turn leads to the well-maintained and fully enclosed city garden. The garden combines a paved area with a pleasant lawn.

The icing on the cake is the garden's practical and sturdy garden shed, ideal for bicycles, garden tools and extra storage.

In short: a charming property which, with the necessary refurbishment and renovation, can be transformed into a truly lovely home. The central location, layout, usable attic space and pleasant city garden make this a property with plenty of potential in the centre of Oud-Turnhout.
