DESCRIPTION

Characterful country house with beautifully landscaped garden, outbuilding and additional building plot

In a residential and quiet area, this property offers a unique combination of charm, space and versatility. Moreover, you enjoy excellent accessibility, just 25 minutes from both Eindhoven (NL) and Antwerp (BE) - ideal for those who want central and quiet living.

Through the spacious entrance hall with guest toilet and separate office space you enter the cozy living space. The cozy fireplace, wide windows and the seamless transition to the dining room create a warm, homely atmosphere with views of the beautiful garden throughout. The fully equipped kitchen is pleasantly spacious and features a connecting storage room.

On the second floor are four full-sized bedrooms and three bathrooms. The master bedroom has its own walk-in dressing room, a spacious bathroom as well as a private sauna.

A special plus is the multi-purpose outbuilding, which consists of a spacious garage with three gates and more than enough storage space. The upper floor of this building is set up as a hobby room with a cozy bar, shower and separate toilet - ideal as guest accommodation. This floor is accessible via a separate external staircase.

The garden is truly a gem: laid out as a peaceful park with ponds and walking paths. This additional plot also offers potential for those thinking of building or expanding in the future.
