DESCRIPTION

SEMI-DETACHED PROPERTY FOR RENOVATION WITH EXCEPTIONAL POTENTIAL IN A PRIME LOCATION

Situated in an exceptionally convenient yet peaceful location, at the end of a quiet cul-de-sac and just a stone's throw from the Oude Kaai, this semi-detached property offers an excellent renovation opportunity. With plenty of potential, it is ideal for anyone looking to create a home entirely according to their own taste and requirements.

The location is undoubtedly one of the property's greatest assets. Here, you can enjoy a wonderfully peaceful residential setting while benefiting from excellent connections towards the outskirts of Turnhout and beyond. Turnhout city centre is also within easy reach, offering an ideal combination of tranquillity, accessibility and nearby urban amenities.

The property offers a pleasant amount of living space with further potential for extension, as well as a garage and private garden. The upper floor currently comprises several rooms which can be redesigned and reconfigured as part of the renovation.

The attic floor also offers interesting possibilities. By installing a permanent staircase, this level could be incorporated into the living space and converted into additional bedrooms, a home office or hobby room.

In short, this property requires a comprehensive renovation, but thanks to its generous space, expansion possibilities and, above all, its excellent location, it offers all the ingredients to become a beautiful and comfortable family home.
