DESCRIPTION

Great brick house with 4 bedrooms, 1 bathroom, covered terrace and garden. Plot 15 with 150m²...

Spacious house with 4 bedrooms, low-maintenance garden and spacious storage room – just 15 minutes from the Dutch border

Upon entering the house, you arrive in a spacious entrance hall with guest toilet and hand basin. Immediately to the right is a large storage room, ideal for extra storage space.

The rectangular living room exudes cosiness and comfort, with an attractive fireplace as the central element in the sitting area. The many built-in cupboards offer a practical and stylish storage solution, while the beautiful floor perfectly matches the characterful appearance of the house.

Adjacent is the dining room, which flows seamlessly into the country-style kitchen. This is fully equipped with high-quality appliances, including a double sink, extractor hood, ceramic hob, dishwasher, refrigerator, freezer, microwave and oven. From the kitchen, you have direct access to the low-maintenance garden.

The spacious bathroom is also located on the ground floor. Like the rest of the house, it is generously proportioned and equipped with its own toilet, a sink and a comfortable, large rain shower.

Upstairs, the staircase in the entrance hall leads to the night hall, which provides access to four spacious bedrooms.

Outside, you can enjoy a fully enclosed back garden, which is partly paved and partly covered with artificial grass, keeping maintenance to a minimum. To the left of the house is a driveway that leads through a gate to the garden.

On the upper floor, the staircase in the entrance hall leads to the night hall, which provides access to four spacious bedrooms.

Outside, you can enjoy a fully enclosed back garden, which is partly paved and partly covered with artificial grass, keeping maintenance to a minimum. To the left of the house is a driveway that leads through a gate to the garden. The house also has a spacious, enclosed storage shed and an additional open storage area.

As the property is currently let, it may not look as attractive now as it will when it is vacant. We hope these renderings will give you a better idea of the property's potential and appearance.
