environment

DESCRIPTION

This exceptionally spacious commercial property, featuring a stylishly finished duplex flat, is situated in a highly central and commercial location in the heart of Turnhout. With approximately 800 m² of retail space, ample storage facilities and an optional underground car park available for purchase, this property is ideal for entrepreneurs, investors or those seeking a combination of living and working.

The building was thoroughly renovated in 2010, whilst retaining its authentic charm and distinctive neo-Rococo features.

The commercial space is spread over two spacious levels. The ground floor features an open-plan retail area with high ceilings, a sales counter, a kitchenette, toilet facilities and various storage areas. At the rear, there is direct access to the underground car park, ideal for deliveries. An elegant staircase with an open mezzanine leads to the first floor, which houses a spacious retail, office or presentation area, along with additional storage.

Above the retail space lies the luxurious duplex flat with high ceilings, stately doors and large windows. The property comprises a spacious living area with a gas fireplace, a fully equipped open-plan kitchen, a storage room, a guest toilet and a terrace at the rear.

On the top floor are two master suites, each with its own dressing room and en-suite bathroom. One bedroom also features a charming mezzanine.

The underground car park, with space for around fourteen cars, plus additional storage and a plant room, is available for purchase as an optional extra.
