## DESCRIPTION

Living in a prime location in Kasterlee, with every comfort and an exceptional green view?

This high-quality finished penthouse (192 m<sup>2</sup>) on the second floor combines luxury, space, and a unique setting right next to the beautiful "Kabouterberg" forest — all within walking distance of the lively town center with cafés, shops, and restaurants.

From the moment you enter, the generous layout is immediately apparent. Originally created by merging two apartments during construction, this home offers an exceptionally spacious floor plan. The entrance hall, with guest toilet and practical laundry room with connections for a washer and dryer, leads to the charming living room with oak parquet flooring. Expansive windows flood the space with natural light and offer beautiful views of the surrounding greenery. A cozy fireplace adds warmth, while sliding doors open onto the spacious 30 m<sup>2</sup> sun terrace — perfect for long summer evenings.

The open, fully equipped kitchen features an elegant natural stone countertop, ample cupboard space, and direct connection to the living area. The night hall provides access to two large bedrooms with built-in wardrobes, a luxurious walk-in dressing room, and a generously sized bathroom.

Your comfort is completed by an indoor parking space and a cellar storage unit (combined additional price €26,000), accessible by stairs or lift. The underground garage also features a large communal bicycle storage area.

Extra assets? A stylish communal room with kitchen and sanitary facilities, free for residents to use for meetings or celebrations. For those seeking the ultimate wellness experience, there is also the option to purchase a share in the indoor swimming pool with wellness facilities.

This penthouse offers a rare combination of peace, luxury, and accessibility — a true gem in the heart of Kasterlee!
