DESCRIPTION

EXCLUSIVE ARCHITECT-DESIGNED VILLA IN A PRIME LOCATION IN DE LINT RESIDENTIAL ESTATE

Set on a beautiful southwest-facing plot within walking distance of the unique De Liereman nature reserve, this contemporary architect-designed villa offers an exceptional blend of timeless architecture, generous living spaces and high-quality finishes. Ideally located, both Eindhoven and Antwerp are only approximately 25 minutes away.

Upon entering, you are welcomed by a spacious entrance hall with cloakroom and guest toilet. Elegant double doors lead to the impressive living room, where large windows frame panoramic views of the beautifully landscaped garden. The abundance of natural light and seamless connection with the outdoors create a truly exceptional living experience. Adjacent to the living area is an open space, ideal as a home office.

A stylish double-sided fireplace elegantly connects the living room with the spacious kitchen-diner. The kitchen is impeccably maintained and features quality appliances. Large sliding doors provide direct access to the terraces and garden. A practical utility room and separate laundry room are located behind the kitchen. The ground floor is further complemented by an integrated double garage with automatic door and passenger lift.

Upstairs, the generous landing leads to the impressive master suite with walk-in dressing room and luxurious bathroom. Two additional full-sized bedrooms share a bathroom, while a spacious study can easily be converted into a fourth bedroom and benefits from its own private terrace.

Outside, the mature, fully enclosed garden offers complete privacy and sun terraces and a covered terrace invite you to enjoy outdoor living. An additional detached garage building provides ample space for extra vehicles.

The villa is also exceptionally low-maintenance thanks to its durable aluminium window frames and high-quality brick façades, eliminating the need for exterior painting while preserving its elegant appearance.
